Wellness LAGHETTO®

PISCINE LAGHETTO is an Italian company, active in the field of swimming pools since the early 1970s and is famous worldwide as a leading company that owns the patent for the most important innovations in the market.

With the important partner **Studio Bizzarro "Architecture del Benessere"** that in over 20 years of activity has designed some of the most famous Italian Wellness Clubs and has made hundreds of projects, today **PISCINE LAGHETTO** can offer you a large range of possibilities to realize your dreams.

Its precious experience gained during years and its sophisticated technology, combined with water as essential element, allow **PISCINE LAGHETTO** to find the more innovative solutions talking about relax and wellness. Water as a magic element, that can restore the harmony between man and environment. Between soul and body.

That's the secret of **PISCINE LAGHETTO** wellness center.

Today life is chaotic and frenetic, but **PISCINE LAGHETTO** is offering you an oasis of relax, where taking comfort and relax.

A special place where water, lights, colors and flavours are source of harmony for the body. Thanks to its professionalism and care, **PISCINE LAGHETTO** will give you the possibility to set out on a journey otherwise impossible.

A real cruise in wellness seas, from which you will come back "brand-new".

PISCINE LAGHETTO este o companie italiana, care activeaza in domeniul piscinelor de la inceputul anilor 1970 si este renumita in intreaga lume ca o companie lider in domeniu. De asemenea detine brevetul pentru cele mai importante inovatii de pe piata .

Avand ca partener important Studio Bizzarro "Arhitectura del Benessere", care in peste 20 de ani de activitate a proiectat unele dintre cele mai cunoscute Cluburi Wellness italiene si a realizat sute de proiecte, astazi **PISCINE LAGHETTO** va poate oferi o gama larga de posibilitati pentru realizarea viselor dumneavoastra .

Bogata experienta castigata pe parcursul anilor si tehnologia inovativa, combinate cu apa ca element esential, ii permit companiei **PISCINE LAGHETTO** sa gaseasca cele mai inovative solutii pentru relaxare si wellness . Apa ca element magic, poate reda armonia dintre om si mediul inconjurator, dintre suflet si trup, acesta fiind secretul centrelor wellness **PISCINE LAGHETTO**.

Astazi viata este haotica si frenetica, dar **PISCINE LAGHETTO** va ofera o oaza de liniste, unde veti avea parte de confort si relaxare . Un loc special unde apa , luminile, culorile si aromele sunt surse de armonie pentru trup .

Datorita profesionalismului si atentiei, **PISCINE LAGHETTO** va ofera posibilitatea plecarii intr-o calatorie de altfel imposibila, o adevarata calatorie in marile de wellness, din care va veti intoarce "nou nout" .

Your warm and relaxing place with whirlpools, neck fountains, geysers and light plays were to forget stress and tiredness.

Wellness Pool

wellness pool

Un ambient calm si relaxant , cu piscine cu hidromasaj , fantani pentru masaj cervical , gheizere si jocuri de lumina creat special pentru a uita de stres si oboseala . Veti aprecia proprietatile apei intr-un ambient special , creat din fuziunea culorilor si a luminii .

A Tub were the body is massaged and invigorated by water pressure .
Ozone and air enhanced water jets helps to fight cellulite, stagnant liquids and reactivate circulation.

Whirlpool

whirlpool

O piscina unde corpul este masat și revigorat de presiunea jeturilor de apa.
Jeturile combinate de aer si apa , ajută la combaterea celulitei lichide, reactiveaza circulația periferica si dizolva tensiunea musculara .

Contrasting emotions generated by colors, perfumes, and temperature will let your body and mind switch from a tropical dimension to a Nordic Climate feeling.

Emotional Shower

dis emotional

Emoțiile contrastante generate de culori, parfumuri, și temperatura va vor purta gândurile de la dimensiunile calde tropicale, la senzațiile racoroase ale Nordului înghețat.

The alternation of cold and warm water and the massaging surface will amazingly reactivate your feet circulation .

Kneipp
kneipp

Alternanta de apa rece , calda si suprafata mare de masaj vor aduce un plus de tonalitate si vitalitate muschilor si va reactiva uimitor circulatia periferica la nivelul picioarelor .

A Dry (3-15%) and Hot sauna (from 80 to 110 C°) in a Wooden Cabin as in the Finnish tradition.

Biosauna: Evolution of the Finnish Sauna with higher humidity (60%) and lower Temperature (50-60 C°) and enhanced with light plays and aromatherapy .

Finnish Sauna

sauna finlandeza - biosauna

Biosauna

O sauna uscata (3-15%) si fierbinte (80 to 110 C°) in interiorul unei cabine din lemn reprezinta traditia finlandeza , asigurand un tratament benefic in care toxinele sunt eliminate , permitand pielii sa "respire" mult mai usor .

Biosauna: Perfectionarea saunei finlandeze cu umiditate inalta (60%) si temperatura scazuta (50-60 C°) combinata si imbunatatita cu jocurile de lumina si aromaterapie , creaza un ambient unic .

The Caldarium is the most antique and still very liked wellness concept, a vapor bath that deeply clean the skin that return more elastic and rejuvenated. The high humidity (100%) and pleasant temperature (50 C°) in this process are blend by chrome and aromatherapy to create an unforgettable atmosphere.

Steam Bath

baie de abur

Caldarium este cel mai vechi, placut si eficient concept wellness , o baie de vapori care curata profund pielea , oferindu-i elasticitate si regenerare . Umiditatea mare (100%) si temperature placuta (50 C°) completate cu cromoterapie si aromaterapie , creeaza o atmosfera de neuitat .

You can dive in the snow of the cabin after the Finnish Sauna and have the full traditional Nordic experience or just cool down with some freshly generated ice from the fountain.

Snow Cabin

cabina zapada si fantana de gheata

Ice fountain

Va ofera posibilitatea trairii unei experiente unice , prin racorirea corpului cu zapada reala sau cu bucati de gheata proaspata din fantana de gheata , reactivand circulatia periferica dupa iesirea din sauna finlandeza .

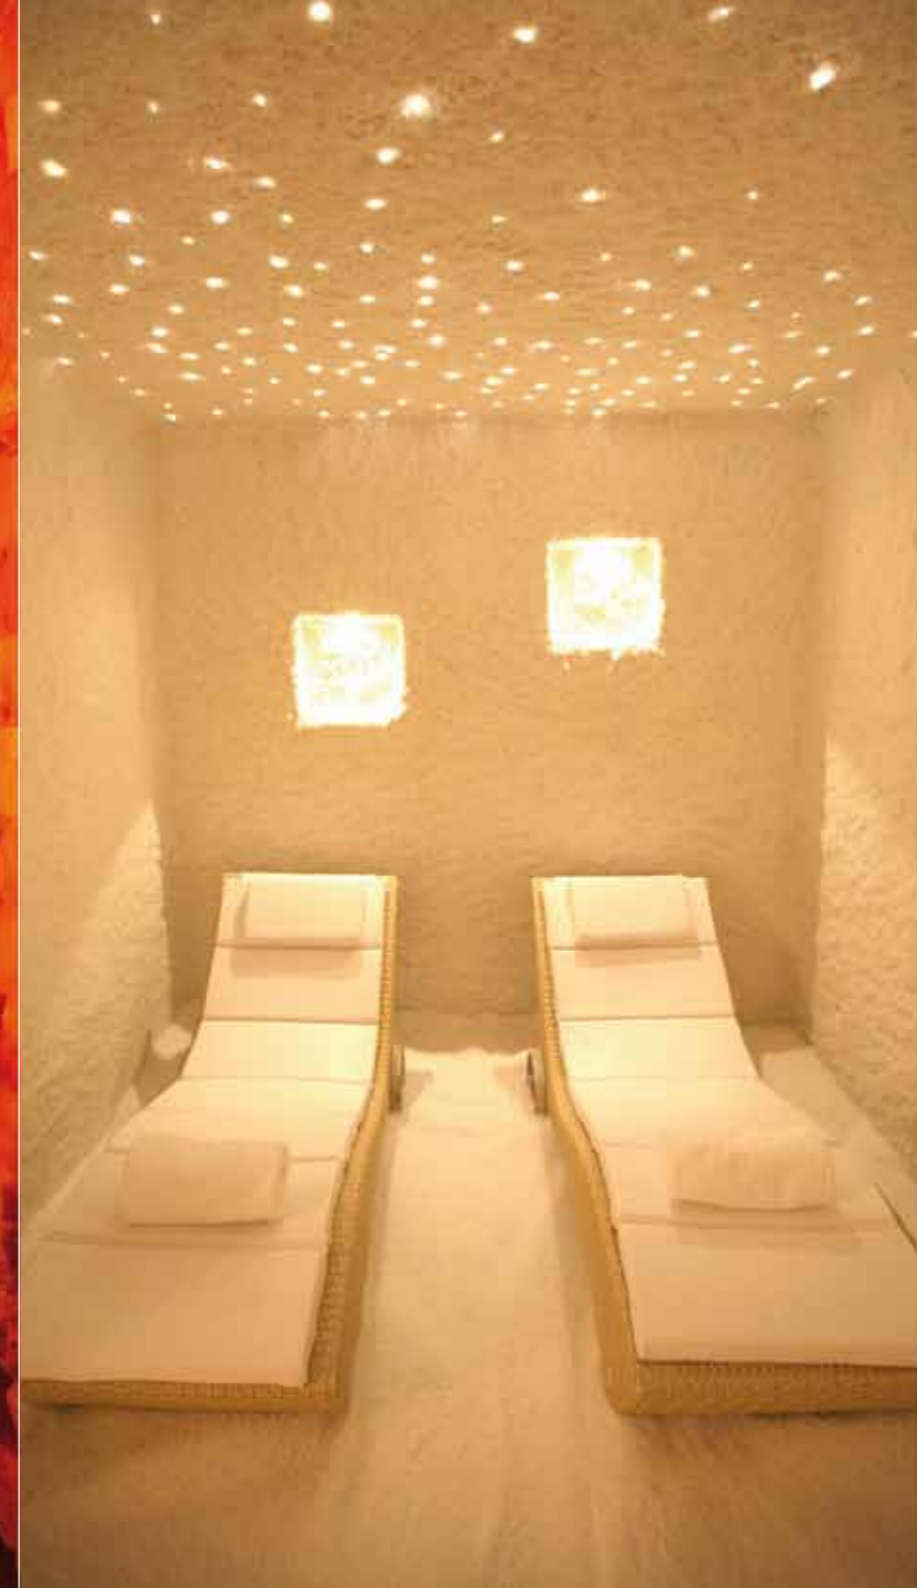

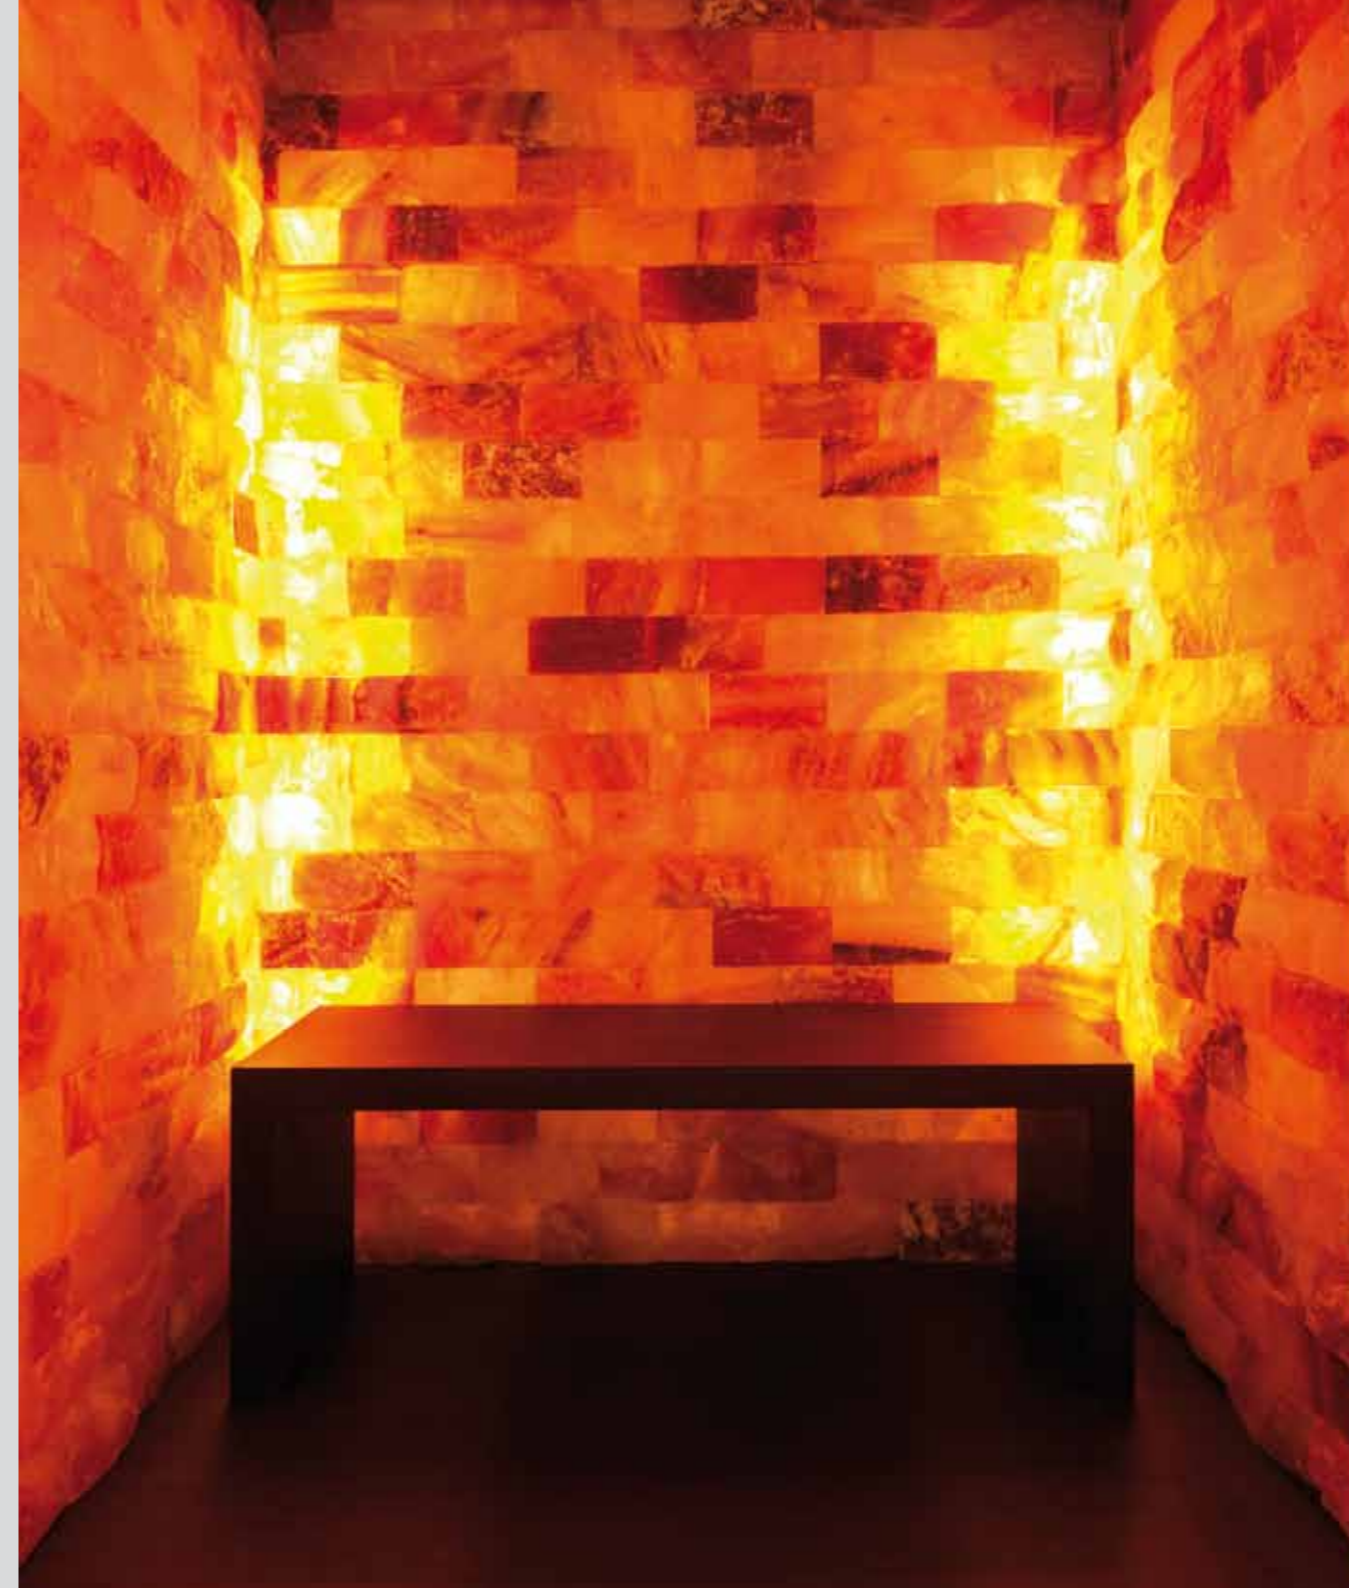

The benefic effects of the Salt are concentrated in a striking salt covered cabin were to beneficiate the halotherapy also with aerosol of micronized salt.

Salt Cabin

cabina de sare

Efectele benefice ale sarii sunt concentrate intr-o cabina acoperita cu sare unde puteti simti din plin efectul de salina si aerosoli .

A warm, intimate and comfortable place were to relax and spend some quality time with your own.

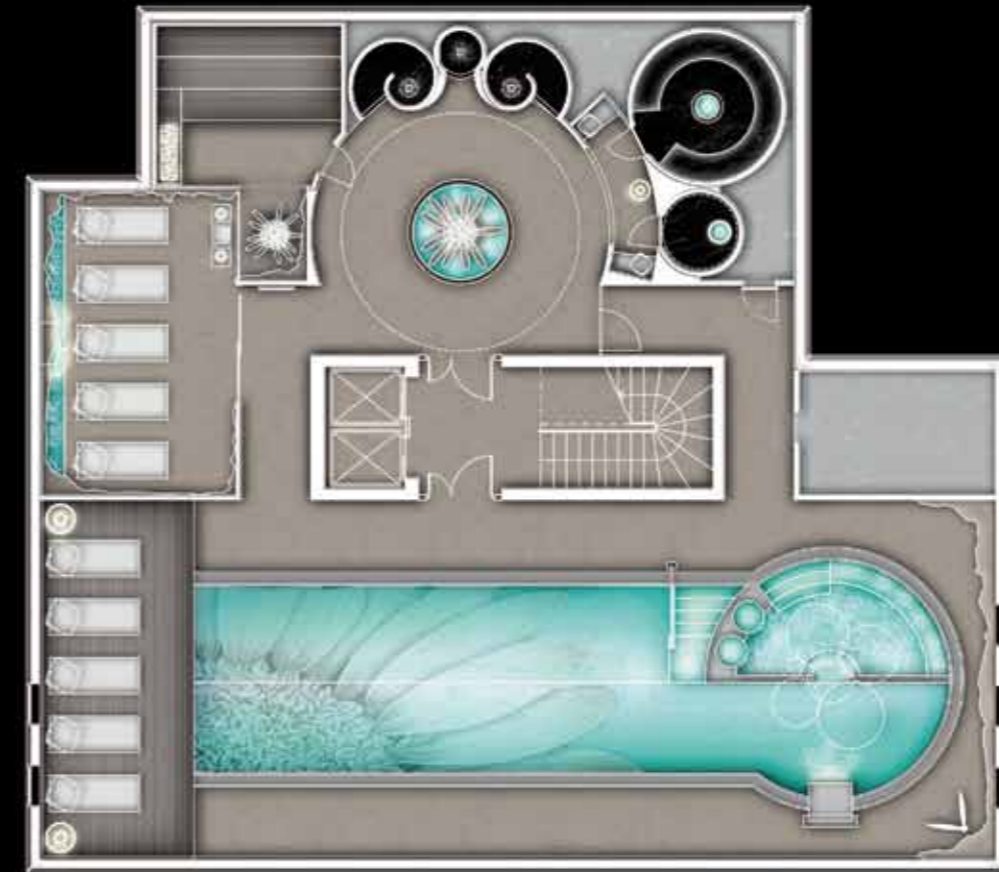

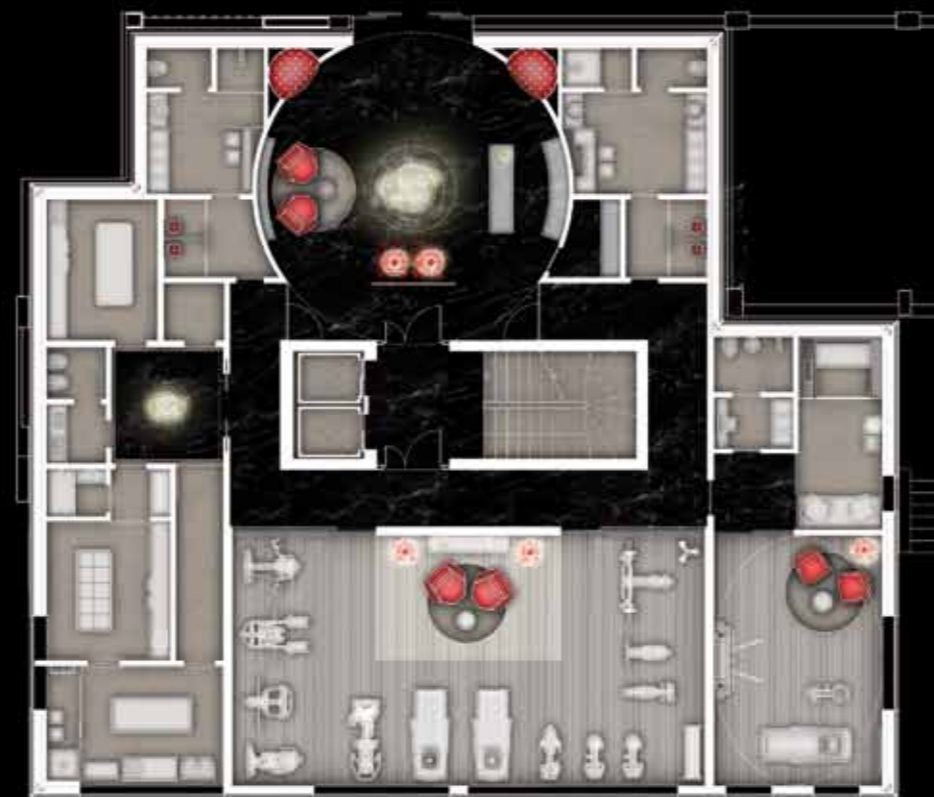

Relax Zone

zona de relaxare

Un spatiu cald , intim , confortabil , unde va puteti relaxa si comunica cu intimitatea dumneavoastra .
